

## Pending Audit Tax Deposit Voucher for Individuals

In 2005, California Revenue and Taxation Code Section 19041.5 was amended to replace the “deposit in the nature of a cash bond” provisions to conform with Internal Revenue Code (IRC) Section 6603 “cash deposit” provisions.

Do not use this form if you are paying your estimated tax or for automatic extension. Instead use Form 540-ES, Estimated Tax for Individuals, or form FTB 3519, Payment for Automatic Extension for Individuals.

~~**Round Cents to Dollars** – Round cents to the nearest whole dollar. For example, round \$50.50 up to \$51 or round \$25.49 down to \$25.~~

We receive tax deposits from individuals who previously filed and expect to pay a future tax liability for a specific taxable year. Normally, individuals make tax deposits to stop the accrual of underpayment interest. **We will consider your payment as a tax deposit only if you have already filed a return for that taxable year.** For more information, go to our website at [ftb.ca.gov](http://ftb.ca.gov) and search for **FTB Notice 2005-6**.

Use form FTB 3576, to make a **tax deposit** payment to satisfy a future tax liability for previously filed returns. See General Information **C "When to File"** for more information. Use this voucher with a check or money order payment only.

If there is a final balance due on your account, ~~we~~<sup>you</sup> will first apply the payment to satisfy any final balance due for the same taxable year. Any remaining amount will be held as a tax deposit.

**Complete a separate form FTB 3576 for each taxable year.**

Enter all the information requested on the tax deposit voucher.

Include the Private Mail Box (PMB) in the address field. Write the acronym "PMB" first, then the box number. Example: 111 Main Street PMB 123.

If you are filing an amended return to report a federal adjustment, do **not** use this voucher. Attach the payment to the amended return.

FRANCHISE TAX BOARD  
PO BOX 942867  
SACRAMENTO CA 94267-0031

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.
